CAMERON PARISH RECREATION DISTRICT NO. 5  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2009

NOTE 1--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Cameron Parish Police Jury is a political subdivision of the State of Louisiana. Cameron Parish Police Jury is the reporting entity for Cameron Parish as defined by NGA Statement 3, (Defining the Governmental Reporting Entity).

In April of 1994, the Financial Accounting Foundation established the Governmental Accounting Standards Board (GASB) to promulgate generally accepted accounting principles and reporting standards with respect to activities and transactions of state and local governments. In November of 1984, the GASB issued a codification of governmental accounting and financial reporting standards. This codification is recognized as generally accepted accounting principles for state and local governments.

Cameron Parish Recreation District No. 5 (the "District") is a component unit of Cameron Parish Police Jury as defined by GASB codification Section 2180. The District was created by the Cameron Parish Police Jury as authorized by Louisiana Revised Statute 38:1731. The District is governed by a board of five commissioners appointed by Cameron Parish Police Jury and is authorized to construct, maintain and operate the specified recreation system within the District.

**A. FUND ACCOUNTING**

The Cameron Parish Recreation District No. 5 is organized and operated on a fund basis whereby a separate self-balancing set of accounts (General Fund) is maintained that comprises its assets, liabilities, fund equity, revenue, and expenditures. The General Fund accounts for the proceeds of all revenue sources that are utilized to operate the recreation district.

**B. FIXED ASSETS AND LONG-TERM LIABILITIES**

Fixed assets used in governmental fund type operations (general fixed assets) are accounted for in the General Fixed Assets Account Group, and are recorded as expenditures in the governmental fund types when purchased. Public works or infrastructure are not capitalized. No depreciation has been provided on general fixed assets. All fixed assets are stated at historical cost. Donated fixed assets are stated

at their estimated fair market value on the date donated. This account group is not a "fund". It is concerned only with the measurement of financial position not with the measurement of results of operations. There are no long-term obligations at December 31, 2000.

C. BASIS OF ACCOUNTING

Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The District's records are maintained on a modified accrual basis of accounting using the following practices in recording revenues and expenditures:

Revenues

Ad valorem taxes are recorded in the year the taxes are assessed.

Interest income is recorded when the income is available. Substantially all other revenues are recorded when they become available to the District.

Expenditures

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred.

D. BUDGETARY PRACTICES

The Cameron Parish Recreation District No. 5 utilizes the following budgetary practices:

Annually the District adopts a budget as a management device for control of revenues and expenses. A comparison of budget and actual is included with the accompanying statements.

**F. VACATION AND SICK LEAVE**

The District does not have any full time employees; therefore, the District does not have a policy on vacation and sick leave.

**G. ACCOUNTS RECEIVABLE WRITE OFF METHOD**

The District has adopted a write off policy wherein any account that is deemed uncollectible is written off directly when the account's collection efforts have been deemed unsuccessful.

**H. TOTAL COLUMNS ON COMBINED STATEMENTS - OVERVIEW**

Total columns on the combined statements - overview are captioned Memorandum Only to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operation, or changes in financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

NOTE 2--RECEIVABLES

Receivables at December 31, 2009 consist of ad valorem taxes receivable. Ad valorem taxes attach as an enforceable lien on property as of January 1 of each year. Taxes are levied to the taxpayers in November. Billed taxes become delinquent on January 1 of the following year. Revenues from ad valorem taxes are budgeted in the year billed.

## INTERMEDIATE ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Board of Commissioners  
Cameron Parish Recreation District No. 5

I have performed the procedures included in the Louisiana Government Audits Guide and enumerated below, which were agreed to by the management of the Cameron Parish Recreation District No. 5 (the District) and the Legislative Auditor, State of Louisiana, solely to assist the users in evaluating management's assertions about the District's compliance with certain laws and regulations during the year ended December 31, 2000 included in the accompanying Louisiana Allocation Questionnaire. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, I make no representation regarding the sufficiency of procedures described below either for the purpose for which this report has been requested or for any other purpose.

### PUBLIC BID LAW

1. Select All expenditures made during the year for material and supplies exceeding \$15,000, or public works exceeding \$100,000 and determine whether such purchases were made in accordance with LA-RS 18:2211-2253 (the public bid law).

No expenditures were made during the year for materials and supplies exceeding \$15,000. No expenditures were made for public works exceeding \$100,000.

### CODE OF ETHICS FOR PUBLIC OFFICIALS AND PUBLIC EMPLOYEES

2. Obtain from management a list of the immediate family members of each board member as defined by LA-RS 49:1383-1394 (the code of ethics), and a list of outside business interests of all board members and employees, as well as their immediate families.

Management provided me with the required list including the noted information.

3. Obtain from management a listing of all employees paid during the period under examination.

Management provided me with the required list.

4. Determine whether any of those employees included in the listing obtained from management in agreed-upon procedure (2) were also included on the listing obtained from management in agreed-upon procedure (2) as immediate family members.

None of the employees included on the list of employees provided by management in agreed-upon procedure (2) appeared on the list provided by management in agreed-upon procedure (2).

#### BUDGETING

5. Obtain a copy of the legally adopted budget and all amendments.

Management provided me with a copy of the original budget and one amendment to the budget during the year.

6. Trace the budget adoption and amendments to the minute book.

I traced the adoption of the original budget to the minutes held on December 28, 1955 which indicated that the budget had been adopted by the Board of Commissioners by a vote of 4 in favor and 0 opposed. No amendments were made to the budget during the year.

7. Compare the revenues and expenditures of the final budget to actual revenues and expenditures to determine if actual revenues failed to meet budgeted revenues by 5% or more or if actual expenditures exceeded amounts by 5% or more.

I compared the revenues and expenditures of the final budget to actual revenues and expenditures. Actual expenditures for the year exceeded budgeted amounts by 13.5%.

#### ACCOUNTING AND REPORTING

6. Randomly select 6 disbursements made during the period under examination and:

(a) trace payments to supporting documentation as to proper amount and payee;

I examined supporting documentation for each of the six selected disbursements and found that payment was for the proper amount and made to the correct payee.

(b) determine if payments were properly coded to the correct fund and general ledger account; and

All of the payments were properly coded to the correct fund and general ledger account.

(c) determine whether payments received approval from proper authorities.

Inspection of documentation supporting each of the six selected disbursements indicated approvals from the Board of Commissioners. In addition, each of the disbursements were traced to the District's minute book where they were approved by the full Board of Commissioners.

#### MEETINGS

7. Examine evidence indicating that agendas for meetings recorded in the minute book were posted or advertised as required by 48A-45 42:3 through 42:12 (the open meetings law).

Cameron Parish Recreation District No. 5 is only required to post a notice of each meeting and the accompanying agenda on the door of the district's office building. Although management has asserted that such documents were properly posted, I could find no evidence supporting such assertion other than an unmarked copy of the notices and agendas.

## DEBT

10. Examine bank deposits for the period under examination and determine whether any such deposits appear to be proceeds of bank loans, bonds, or like indebtedness.

I inspected copies of all bank deposit slips for the period under examination and noted no deposits which appeared to be proceeds of bank loans, bonds, or like indebtedness.

## ADVANCES AND GIFTS

11. Examine payroll records and minutes for the year to determine whether any payments have been made to employees which may constitute bonuses, advances, or gifts.

I inspected payroll records for the year and noted no instances which would indicate payments to employees which would constitute bonuses, advances, or gifts. A review of the minutes also noted no approval for such payments. However, my review of the minutes and discussion with District personnel revealed that a salary increase was granted to the District bookkeeper in July 2008 during executive session and was not documented in the minutes. No votes should be taken during an executive session on any matter and all salary increases should be documented in the minutes.

My prior year report, dated June 14, 2009, did not include any comments or unresolved matters.

I was not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the use of management of Cameron Parish Recreation District No. 3 and the Legislative Auditor, State of Louisiana, and should not be used by those who have not agreed to the procedures and takes responsibility for the sufficiency of the procedures for their purposes. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
